CLASSIFIED INDEX

An index which lists, under a heading descriptive of its medium of performance or special character, each work included in this issue. For each entry the name under which it will be found in the main section is given first, followed by the title.

INTRODUCTION

The classified index is designed to meet the needs of those who are searching for music for performance, or for music of national characteristics or special subject interest. The headings have been selected and the list of headings constructed on the principle of using specific headings in so far as possible, e. g., Operas, not Dramatic Music -- Operas. However, headings of broad scope with sub-divisions for specific types have been used when the headings are so closely related as otherwise to require numerous cross references or searching under widely separated headings, e. g.,

Chamber Music - String quartets,
not String Quartets
Choral Music, not Trios (vocal)

The words "music" or "songs and music" should be understood to follow most of the headings, e. g.,

Guitar [music]
Chile [songs and music]

The headings are arranged alphabetically. When subarrangement is necessary, it is sometimes in an alphabetical order of categories (see Juvenile music) and sometimes in a logical order (see Chamber music).

To facilitate locating the desired heading, the Classified Index is preceded by a "Table of Headings Used," citing the page number on which the list under each heading starts. Cross references are included from headings not used, and from sub-divisions of a general heading to the broad heading. All cross-references are given in the table, and are not repeated in the index itself. Examples are:

Oratorios. See Choral music - Sacred choral works
String quartets. See Chamber music - Quartets - String instruments

Cross references are made from one heading to another when the second covers closely related material, e. g., Orchestra. See also String orchestra.

Instructive material for particular instruments is listed under the name of each instrument, e. g., Violin instruction. Material which is predominantly textual, such as histories, biographies, and works on appreciation, theory, etc. will be found in a separate section at the end called Books and pamphlets on Music.

The entries in the index constitute brief references to the main entries in the first section of this volume. The entries consist of the name of the author, with the initials of his forenames, followed by the title-page title, or the filing title and the title-page title. Each entry in the index is represented by an entry under the composer in the main section, where any other editions registered in the period covered by this catalog will also be found.

The abbreviations used are: acc. - accompaniment; unacc. - unaccompanied; arr. - arranged.

Choral music. Note: The term "Choral works" in the sub-headings below denotes works with orchestra accompaniment, whereas the term "Choruses" is used for works composed with piano accompaniment or unaccompanied.
In determining the number of voices, consideration is given to divisi passages. For example, when the title-page describes the work as being for two equal voices, the work will be listed with four-part choruses if the parts divide.
Under the sub-heading "Other combinations" are listed all works for ensembles with addition of one or more solo voices. See also

  I can't give you up even though you threw me down.
  I can't love you as I should, but I'll love you all I can.
  I can't seem to go on.
  I don't love you any more.
  I don't mind sharing anything but you.
  I don't want to dream any more.
  I fell for you.
  I got a claim on your love.
  I hold a girl in my arms.
  I know an angel.
  I know that I shouldn't love you.
  I lie to myself.
  I loved you not so very long ago.
  I miss you, darling.
  I never had a chance.
  I often wonder why.
  I recorded my heart.
  I remember.
  I tell my heart to stop remembering.
  I think I'll pop the question.
  I want you to know.
  I was out with you, new moon.
  I wish I didn't love you.
  I wished for an angel.
  I wonder, now that you're away.
  I would like to be your darling.
  I'd give a lifetime, for one moment with you.
  If I could make you happy.
  If I could only.
  If I could only live alone.
  If it's kissin' that you're missin'.
  If seein' is believin'.
  If you knew my darling.
  If you love me.
  I'll always remember.
  I'll always see heaven when the clock strikes eleven.
  I'll be there to meet you, Sonny.
  I'll betcha I'll letcha.
  I'll keep right on dreaming.
  I'll meet you tonight, Senorita.
  I'm anxious about you.
  I'm disappointed in you.
  I'm forever saying I'm sorry.
  I'm gonna find myself a new baby, baby.
  I'm lonely, babe.
  I'm looking for someone to love.
  I'm madly in love with you.
  I'm seeing double.
  I'm sleepy.
  I'm smiling to hide my tears.
  I'm sorry that you feel the way you do.
  In a rose.
  In answer to your letters.
  In every dream.
  In love without consent.
  In my motorboat.
  In the secret place of my heart.
  Is there a law against love.
  It's easy to fall in love with you.
  I've got an open heart, sweetheart.
  I've never been blessed with romance.
  I've never been in love.
  Jingle bells, Xmas bells.
  Just a minute, sugar.
  Just lonely.
  Just lovely, lovely you.
  Just one kiss.
  Just to look at you.
  Just you and I.
  Keep on smiling.
  The key to my heart.
  Knock me down blues.
  Knocking on my door.
  Lady in search of danger.
  Lane of love.
  The last call to love.
  Last night.
  Let me hear that song again.
  Let me ride Montana's ranges.
  Let's go riding in my airplane.
  Listen to me dear.
  Listen to your heart.
  Loneliness.
  Lonely.
  Lonely nights.
  Looking for you.
  Lost love.
  Love.
  Love me the way you'd love a baby.
  Love means everything.
  Love or hate.
  Love passed me by.
  Lovely.
  Lover's blues.
  Lovers' chaperon.
  Love's dream.
  Lucky me.
  Lucky star.
  Mama, buy me that doll.
  Mama, I'm returning home.
  Married happiness.
  Mary Lou Rose.
  Maybe it's love.
  Me, myself, and I.
  Me too.
  Memories of you.
  Memories write a song.
  The Milky Way rhumba.
  The Mississippi moon.
  Mr. and Mrs.
  Mom, not mother.
  The moon doesn't want to shine.
  More and more each day.
  Morning, noon and night.
  My darling, like a flower.
  My Denver doll.
  My dream of beauty.
  My first gem of devotion.
  My greatest mistake.
  My heart is blue.
  My heart is broken, for you took my love as a token.
  My heart is doing pitty-pats for you.
  My heart is in the heart of Texas.
  My heart would not understand.

My heartaches and tears.
My lady love.
My life to you.
My lonely heart.
My love.
My lovely love and I.
My only love.
My only wish.
My rainbow bridge.
My shining moon.
My sweetheart.
My sweetheart, don't leave me.
My very own.
My wedding day.
Nadine.
Nancy, darling.
Nanna's lullaby.
Needless to say.
The night before I met you.
The night you said goodbye.
Nobody else but you.
No more.
No one can ever take your place.
No one to love me.
No use to start over.
Not meant for me.
Oh, my darling.
Oh, you great big yellow moon.
Old moon.
On the banks of a stream in Tennessee.
The one and only.
Only Heaven knows.
Perfect dream.
Picture in the sky.
Place me in your heart.
Plotting and planning.
Prairie lullaby.
Precious dream.
Rain on the roof top.
Rangeland lullaby.
Record of love.
The red bud.
Ridin' with my eyes filled with tears.
Riding in the rain.
Right or wrong, it's you.
The roller skate polka.
The roses bloomed.
Rosie the flower girl.
Satisfied.
Say please.
Searching for a lullaby.
September rhapsodies.
She'll always be my old sweetheart.
Shy little Kate.
Since forty-three.
The sing polka.
Singing and dreaming all day.
Slavery.
Sleepy Hollow.
So blue.
So doll up, my darling.
So sure of me.
Some day you'll remember me.
Someone.
Something's gone wrong.
Somewhere outside my heart.
The song of hope.
Spoofin'.
Starlight time.
Stars, stars, stars.
Stick by them that stick by you.
Stupid little Cupid.
Suddenly.
Sunset trail.
The sunshine is always there.
Sweet honeymoon.
Sweet Rene.
That helpless feeling.
That old feeling.
That old home town of mine.
There is no limit to love.
There's a flame in my heart.
There's magic in your eyes.
There's nothing I can do.
These small things.
They told me not to fall in love with you.
This crazy world.
This land called Oregon.
This time of year.
Tho' you're just around the corner, you're a thousand miles away.
Those rooming house blues.
Through with them one-night stands.
Throwing kisses at the sun.
To me, sweetheart.
To the girls of the U. S. A.
Tormented.
The trolley car ride.
Twilight dreaming.
The twilight echoes.
Two different things.
Two hearts are better than one.
Two hearts convening.
Two hearts too hurt to hide.
Umbrella song.
Unwanted and alone.
The vagabond lover.
Waiting and wishing.
Walk a star beam to the moon.
Walking.
Watch that sun, he's gonna shine.
We three.
Weary of life, without love.
We'll stroll in the starlight.
Western sunset.
A whale of a dream.
What goes on in my heart.
When I think of Ireland.
When it's twenty-two below.
When night winds blow sweet and low.
When the roses bloom in June.
When you go walking.
Where the trail ends.
Whirlwind.
Whisper.
Why can't we.
Why do I love that man.
Why does it rain when the sun should be shining.
Why take a chance.
Why weeping willows weep.
Will I be sad and lonely once again.
Will you wait.
Wishing.
Wishing wistful wishes.
Without you.
Wonderful, beautiful you.
Wondering.
Would you think of thinking of me.
You bring me life.
You captured my heart.
You changed my mind.
You had me guessing.
You naughty little rascal.
You say you don't love me.
You think I am living just for you.
You wouldn't think it.
You'll always be mine in dreams.
Young cowgirls.
Your name.
Your new affair.
You're so easy to love.
You're the lucky star.
You're tired of me.
You've changed, dear.
You've gotta be zoftic.
